8 October 2018

Dear Sir/Madam,

**A3 Steep Marsh – Minor Access Improvements**

Kier Highways, on behalf of Highways England, will be undertaking minor improvement works at the junction with the A3 and Steep Marsh (Pratts Lane) to ensure the safety of our road users. Works will include enhancement of traffic signing, road markings and application of high friction surfacing.

For the safety of our workforce and customers, lane 1 of the A3 northbound carriageway will be closed across the access into/out from Steep March over four nights (between 10pm and 6am) from Monday 15 October 2018.

An escort service will be provided for residents of Steep Marsh during the closures. A sign will be in place on the northbound carriageway advising residents to pull into the layby just prior to Steep Marsh and call a telephone number to gain access.

Please be aware that these works have been carefully programmed but are subject to change due to weather conditions or unforeseen circumstances – **please check the yellow signs placed in advance at the junction for confirmation of the closures dates/timings.**

We would like to apologise in advance for any inconvenience or disruption caused during our work; if you have any questions, or if you'd like to know about our work please contact us on 0300 123 5000 or email [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk)

Yours faithfully

**Kathryn Blofield**  
Communications Coordinator
