Public Transport. Steep to Petersfield minibus service no 71 operates on Wednesdays and Fridays, departing at 0930 and returning at 1230. Enquiries: 01730 892 052 (This is the bus operator, Wheel Drive). Stroud is served by the no.67 bus service between Petersfield and Winchester. The best source of up to date information is the monthly newsletter.

WELCOME TO STEEP AND STROUD APRIL 2018

The aim of this little leaflet, which is produced by Steep Parochial Church Council, is to give you an introduction to local services and amenities, and to invite you to participate in our village life by giving you a contact point for activities in which you might have an interest.

Perhaps the first thing we need to tell you is that Steep **Church** parish covers the **civil** parishes of both Steep and Stroud, and all three have websites. The church website is steepfroxfield.com, and information on the civil parishes can be found at www.steepvillage.com and www.stroudvillage.co.uk.

The other main source of information is the free church-based newsletter, which is published ten times a year and distributed throughout Steep and Stroud. There is an information kiosk (an old phone box) outside Steep village hall, and there are notice boards in Steep Marsh and Stroud. All are kept up to date with local news and events.
