WELCOME TO STEEP AND STROUD MARCH 2021

The aim of this little leaflet, which is produced by **Steep Parochial Church Council**, is to give you an introduction to local services and amenities, and to invite you to participate in our village life by giving you a contact point for activities in which you might have an interest. At the time this is published, the country is still in the grip of the Covid pandemic, so overall activity is much reduced, but hopefully as the year wears on restrictions will be eased.

Perhaps the first thing we need to tell you is that **Steep Church** parish covers the **Civil** parishes of both Steep and Stroud. The church website is steepfroxfield.com.

The other main source of information is the free newsletter, which is published ten times a year and distributed throughout Steep and Stroud. There is also an information kiosk (an old phone box) outside Steep village hall, and there are notice boards in Church Road, Steep Marsh and Stroud. All are kept up to date with local news and events.
